EXCELLENCE

Excellence Every Day

"Working in partnership with Mountaire Farms for many years has been quite a privilege. Mountaire has always treated us well and our negotiations have always been professional. We consider them as the standard of excellence and are grateful for their partnership."

- Supplier Partner

- Flocks raised according to OneHealth Certified™ standards
- Food Safety Program: BRC AA+ Rating and 3rd-party audited
- Fail-safe packaging tested for durability and performance
- Range of product options, fit for end-use application
- Supply continuity and transportation excellence
- Dedicated team, committed to customer success

People who care.
Supply that delivers.

Since 1914, Mountaire Farms® has set the standard for service and quality in wholesome fresh chicken. As an MSC and Premium Protein supplier, we understand the demands of further-processors, and the evolving needs and expectations of the end consumer.

We value the importance of long-term partnership, and we are driven to support your business every day with customer service and consistent supply that you can count on.

- Protein Ingredient Buyer, Leading Consumer Sausage Brand

Safety is Our Priority

Top-rated Facilities

We maintain AA+ BRCGS-rated facilities, and provide a Certificate of Analysis (COA) with every shipment.[1]

Packaging Solutions

We work to ensure fail-safe packaging for superior safety and ease of use.

Reliable Transport

Our transportation team works 24/7 to keep our deliveries moving and arriving on time.

Real Customer Care

When you need assistance, you'll find our customer success managers are ready and at your service.

Stewardship and standards you can trust.

One Health Certified™ standards define best responsible animal care practices, and compliance is verified by the USDA.

- Disease prevention
- Veterinary care
- Animal welfare
- Sustainable agriculture
- Responsible antibiotic use

RESPONSIBLE ANIMAL CARE™

About Mountaire Farms®

At Mountaire Farms®, we've been family owned and operated since 1914. Quality assurance is built into everything we do, and we're committed to customer care at every step.

We partner with over 1,150 independent growers and family farms and we oversee everything from hatcheries to farms to processing, packaging and transportation.

Every one of our 10,000 employees works hard every day so that you can count on two things: People who care and supply that delivers.
