Mountaire®

Specialized Private Label Tray Pack Program

Our business is to help you grow your brand with a customized tray pack program that's ready to merchandise.

Your Brand is Our Brand

Fully customized to your labeling and branding needs

- **Flexibility: Produce Clear Film or Private Label**
- **Label Specs: Both blow-on-label and printed film capabilities**
- **Collaborative Design: We work with your team to meet label design specifications**
- **Dedicated Support: Specialized Sales and Customer Service Team for Retail Division**

Top-of-the-line Retail Tray

- **White Plastic Tray: For a cleaner look in cooler**
- **Sustainable: Recyclable tray and box to support sustainability goals**
- **Multiple Tray Sizes: Small, Family, and Jumbo**

Expanding Tray Pack Capacity

- **Increased Availability: Ensures your program meets seasonal and growth demands**
- **Optimized Distribution: Increasing geographical footprint to help increase product freshness to your store**

Transportation Excellence

We work 24/7 to keep our deliveries moving and arriving on time

- **Tray Pack plants located within 1-day drive time to major Northeast and Southeast markets**
- **Satellite ability to monitor temperature, time, route, speed and position**
- **Our tray pack deliveries have a 98% on-time service level**

Our animal welfare philosophy is grounded in the belief that healthy birds are the result of conscientious care, well-managed environments, and sound husbandry. This approach emphasizes five key areas: disease resistance, high-quality nutrition, safety and sanitation, veterinary care, and humane handling.

Mountaire®

Care That Cultivates™

At Mountaire Farms, we've been family owned and operated since 1914. Quality assurance is built into everything we do, and we're committed to customer care at every step. We work with over 1,150 independent growers and family farms and we oversee everything from hatcheries to processing, packaging, and transportation. We maintain AA+ BRCGS-rated facilities—the highest rating available for food safety.[1]
